

Ministering in North India

AUGUST 2011

God is opening ways for gospel to spread unhindered in Northern India. In New Delhi, a convention was held in the remote areas. About 80 people attended the meeting. There was a great revival among them. Pastor Roy Rhodes from USA, the Harvest International Ministries and Pastor Peter Prakasam, from IPA Faith City spoke with power. The people were enriched by the presence of God. Pastor Ramesh Madavan from Delhi arranged these meetings.

Ministering in New Delhi

Pastor Peter Prakasam, ministered to a young church in Delhi, the church of Pastor Dr. Jayaseelan, who is also the co-brother of Rev. David Prakasam. There were about 300 people there. Pastor Peter spoke about Faith, and they were challenged. Many young people came forward for prayer.

A Pastors seminar was also conducted in Karnal, where 70 people gathered and heard the Word of God. The pastors were very blessed and renewed their commitment to serve the Lord.
